-----------------	-------------------------	------------------------	-------------------------

3. **Secured Creditors: Motions to Value Collateral ("Cramdown"), Collateral being Surrendered, Adequate Protection Payments, and Payment of certain Secured Claims.**

A. Motions to Value Collateral (other than claims protected from "cramdown" by 11 U.S.C. § 1322(b)(2) or by the final paragraph of 11 U.S.C. § 1325(a)). Unless a written objection is timely filed with the Court, the Court may grant the debtor(s)' motion to value collateral as set forth herein.

This section deals with valuation of certain claims secured by real and/or personal property, other than claims protected from "cramdown" by 11 U.S.C. § 1322(b)(2) [real estate which is debtor(s)' principal residence] or by the final paragraph of 11 U.S.C. § 1325(a) [motor vehicles purchased within 910 days or any other thing of value purchased within 1 year before filing bankruptcy], in which the replacement value is asserted to be less than the amount owing on the debt. **Such debts will be treated as secured claims only to the extent of the replacement value of the collateral. That value will be paid with interest as provided in sub-section D of this section. You must refer to section 3(D) below to determine the interest rate, monthly payment and estimated term of repayment of any "crammed down" loan. D. Payment of Secured Claims on Property Being Retained (except only those loans provided for in section 5 of the Plan):

This section deals with payment of debts secured by real and/or personal property [including short term obligations, judgments, tax liens and other secured debts]. After confirmation of the Plan, the Trustee will pay to the holder of each allowed secured claim, which will be either the balance owed on the indebtedness or, where applicable, the collateral's replacement value as specified in sub-section A of this section, **whichever is less**, with interest at the rate provided below, the monthly payment specified below until the amount of the secured claim has been paid in full. **Upon confirmation of the Plan, the valuation and interest rate shown below will be binding unless a timely written objection to confirmation is filed with and sustained by the Court.**

8. Treatment and Payment of Claims.

- All creditors must timely file a proof of claim to receive any payment from the Trustee.
- If a claim is scheduled as unsecured and the creditor files a claim alleging the claim is secured but does not timely object to confirmation of the Plan, the creditor may be treated as unsecured for purposes of distribution under the Plan.
